Resolution 2022-002 Declaration of Need for Fully Qualified Educators

The Oakland School for the Arts Board of Directors, acting under the guidance offered by the Commission on Teacher Credentialing resolves to follow such guidance in order to allow OSA to have a credentialed teacher teach outside of their credential for one year while they pursue the needed authorization. We take action in this matter believing this to be the best course of action in order to support our students in their desired fields of study.

Certification

It is hereby certified that the foregoing resolution was duly adopted by the Board of Directors of the Oakland School for the Arts at a properly noticed open meeting at which a quorum was present.

EFFORTS TO RECRUIT CERTIFIED PERSONNEL
The employing agency declares that it has implemented in policy and practices a process for conducting a diligent search that includes, but is not limited to, distributing job announcements, contacting college and university placement centers, advertising in local newspapers, exploring incentives included in the Teaching as a Priority Block Grant (refer to www.cde.ca.gov for details), participating in state and regional recruitment centers and participating in job fairs in California.

If a suitable fully prepared teacher is not available to the school district, the district made reasonable efforts to recruit an individual for the assignment, in the following order:

- A candidate who qualifies and agrees to participate in an approved internship program in the region of the school district
- An individual who is scheduled to complete initial preparation requirements within six months
