Board Chair Report on Community Building - This board is committed to engaging with the community. Two strong board candidates put forward from the Alumni community. Will look at board committee make up and notes that the Governance Committee is now comprised of Mr. Borg, Mr. Walton, Ms. Alvarado Mena. Putting together an Ad Hoc committee to review legal expenditures, led by Mr. Walton. Would like to start board meetings with a land acknowledgement and asked for community input.

Draft LCAP Hearing
- Presentation of Report
- Public Comment
  - Karen Morfin - Present at APT meeting. Request to add all reports to the agendized area for ease of access.
  - Morey Riordan - how to access input document? Thanks to Julie for hard work on WASC. APT’s exact language wasn’t in final document.

Board Comment
- Barr - the LCAP must be approved prior to budget at next meeting. Does our new student acceptance strategy result in higher FRL? Mr. Oz - note that our lottery preference is for students actually attending T1 schools, not those living in the area due to gentrification of Oakland. Mr. Barr asks for long term retention strategy for these students as well.
- Alvarado Mena please loop board into any other public meetings re: LCAP.
Draft Budget Presentation
Most parts of May revise have been implemented so there will be changes. Fox rent decrease will hopefully change to take us out of the $200k deficit.

- **Public Comment**
  - Kris Bradburn - long running issue of low teacher pay, can make more in neighboring districts. Please consider in closed session discussion.

- **Board Comment**
  - Dharmapalan - has PPP loan been forgiven and how is it represented in the budget? Palmore: Yes, and in 20-21 under ‘Other Federal Revenue’.

*The Final Budget will be presented and voted on in June*
