

Meeting Norms

- The Board recognizes the importance of all stakeholder voices at OSA. Collaboration and community are essential to the viability of our school.
- The purpose of this meeting is for our board of directors to meet with each other and conduct school business, as well as to receive input from the school staff and the community via public comment.
- Public comment may be made on topics that relate to the school. Comment on non-agenda items may be made at the beginning of the meeting. After hearing a report, members of the public have the opportunity to offer comments in a designated time prior to the board discussion of that agenda item. Outside of public comment, members of the public are also welcome to observe the meeting.
- Please use the raise hand function to make public comment. If you cannot use the raise hand function you can sign up for public comment in the chat. We want to be sure to see all the sign ups so keeping the chat clear when public comment signups are being called for is appreciated. You may sign up for public comment at any time **prior** to the conclusion of public comment for that agenda item. You do not need to wait for public comment to be called to sign up, and may sign up for public comment during the presentation of the report or at any time prior.
- Public comment will be capped at three minutes per speaker. To be sure of hearing from a variety of people, minutes may not be transferred to other speakers.
- The board cannot respond to public comment on non-agenda items. This does not mean the board is not listening.
- Staff will do our best to respond to chat comments throughout the meeting but may not be able to respond to every single one. To be sure your comments are heard by board members, please sign up for public comment.
- We strive to be a learning community that learns from each other. We are also a community comprised of people who care very deeply about the school. We recognize that all voices are not treated equally in our society but aim to value and respect all

voices equally in this forum. We may have different ideas of how to achieve goals, and we may feel passionately about our points of view. This needs to be a safe space for a variety of opinions. Finally, we address each other in a respectful manner to foster collaboration, build community, and to model good citizenship to our students.

- For clarification on the recording, board members and members of the public should please state their names prior to speaking.
- The meeting is being recorded and the audio is posted on the school website.

OSA Land Acknowledgement

OSA is situated on Huichin, the unceded territories of the Chochenyo-speaking Lisjan Ohlone peoples, who have lived upon this land since the beginning of time. Indigenous peoples-- in California, the Americas, and around the world--are still here.

OSA recognizes the historic genocide and ethnic cleansing inflicted upon Indigenous peoples in California and the Americas, including their forced removal from ancestral lands, and the deliberate and systematic destruction of their communities and culture. These conditions are ongoing and Indigenous people have been fighting against cultural erasure and for their sovereignty since the beginning of colonization.

To this end, we as a community strive to honor the Indigenous members of our community, uplift their voices and contributions to arts and culture, center Indigenous peoples' worldviews in our classrooms, and support Indigenous sovereignty everywhere.

This land acknowledgement is a small act in supporting Indigenous communities and centering the Justice, Equity, Diversity, and Inclusion work within the Oakland School for the Arts. Solidarity with Indigenous nations can include:

- 1) Donating time and money to Indigenous-led organizations;
- 2) Amplifying the voices of Indigenous people leading grassroots change movements; and
- 3) Returning land.
