

School Site WASC Coordinator:
Julie Humphrey, Science Department Chair

Current WASC Status:
Accredited through June 30, 2020 with unrequested extension granted by
WASC due to backlog of site visits.

If OSA loses its WASC Accreditation, per EC 35178.4 the school will notify each parent or guardian of the pupils in the school, in writing, that the school has lost that status. That notice shall indicate the potential consequences of the loss of WASC accreditation, if such loss occurs.

All WASC inspection results shall continue to be published on the OSA website not later than 60 days after the results are made available to the school.
