

- Any student or staff person who exhibits Covid related symptoms must quarantine for 5 days
- If a negative Covid test is received AND symptoms are gone (before the required 5 day period) the student or staff member may return to campus
- If a negative Covid test is received but symptoms are still present, the student or staff person must remain in quarantine until symptoms are gone
- If a student or staff person has symptoms and a negative Covid test, AND a doctor's note certifying that the symptoms are due to allergies or some other non-contagious situation, that person may return to campus

As of January 18, 2022, all students and staff are required to wear a KN-95/N-95 mask or its equivalent while on campus. Masks must fully cover the mouth and nose at all times unless actively eating or drinking. Eating is not permitted in the classroom during class time. OSA's mask protocol applies to both indoor and outdoor instruction.
