Monthly PTSA Meetings - Monthly PTSA/Pathway meetings. We will have a rundown of key school issues, budget updates and provide the opportunity for parents to ask questions around the upcoming initiatives of the PTSA. A zoom option is available, though we highly encourage those who are able to attend in person to do so. Community is best built when we are together in person.

Quarterly PTSA/Pathway Meetings - Quarterly PTSA/Pathway meetings. We will begin with an all-group gathering in the student center to discuss key school topics for the first hour. This will be an opportunity to build community. Families will then head into pathway specific meetings for the second hour where you can learn more about the art program and connect with the chair of your art department.

Sidewalk Coffee - As part of our ongoing 'Joyful School' initiative, parents gather with teachers and members of the leadership team to have a cup of coffee and greet students as they enter the building. Come join us at 18th st.!

Back to School Night - An opportunity for all parents/guardians to move through the hallways as the students do, visit the academic classrooms, and get to know the academic teachers. This event is for parents/guardians only.

Oakland Ballers OSA Night - Join the OSA community at Raimondi Park to celebrate Oakland teachers as we cheer on the Oakland Ballers. OSA's Vocal Music department chair, Marie Plette, will be singing the national anthem.

Fox All School Show - Since 2010 it has been a longstanding tradition for OSA to take the stage at the Fox Theater for an all school arts showcase. Though not all students perform, they all have a hand in the work leading up to the event. Each of our 10 arts pathways will be showcased at the event. More information coming in semester 2.

Oakland Works Wednesdays - OSA has been in ongoing partnership with OWW to activate Downtown Oakland during the lunch hour with the goal of bringing people back to the office. Join us as we celebrate the artistic talents of OSA students while demonstrating what positive Downtown activation can do to transform our neighborhood. We hope to see you there!
