RECOMMENDATION: Approve the 2020-21 Consolidated Application.

BACKGROUND INFORMATION:

The Consolidated Application (ConApp) is used by the California Department of Education (CDE) to distribute categorical funds from various state and federal programs to county offices, school districts, and direct-funded charter schools throughout California. Annually, in June, each local educational agency (LEA) submits Part I of the application to document participation in these programs and provide assurances that the district will comply with the legal requirements of each program. Program entitlements are determined by formulas contained in the laws that created the programs. Due to the current events caused by COVID-19, the 2020-21 ConApp submission was delayed and is now due August 17th. OSA's ConApp has been completed and is fully certified.

Part II of the application is submitted in the fall of each year and contains the school's entitlements for each funded program. Out of each state and federal program entitlement, districts can allocate funds for indirect costs of administration, for programs operated by the district office, and for programs operated at schools.
