

OSA Cell Phone Policy for Students

Cell phones must be put away during class unless specific permission is given **by the teacher** for academic use. Students may not have their phone out for any reason without asking permission first. In the case that these parameters are not followed:

1st offense – the student will be given a warning to put the phone away – preferably in the cell phone pocket.

2nd offense – phone will be held by the teacher for the day, an email will be sent home warning that if the phone is taken again a parent will need to pick the phone up from school, and a log will be made in PowerSchool.

3rd offense – the teacher will refer the student to the Dean and the parent/guardian will be contacted to retrieve the phone from school.

**Please note, this policy is in place to create the best learning environment for all students, not to make anyone's life miserable, so please show your support.*
