

INSTRUMENTAL MUSIC  
OAKLAND SCHOOL FOR THE ARTS  
AUDITION REQUIREMENTS

MIDDLE SCHOOL \_\_\_\_\_ 3

HIGH SCHOOL \_\_\_\_\_ 8

## AUDITION REQUIREMENTS

Below are the audition criteria for acceptance into the Instrumental Music Program at Oakland School for the Arts. There will be a rubric on which we evaluate each category. When preparing for your audition, here are some guidelines and clarifications:

- You are required to **bring three copies of any prepared music materials** for the panel.
- Regardless of grade level, **all scales must be memorized**; it is strongly recommended but not required for prepared pieces to be memorized as well.
- Some requirements differ from grade to grade; **prepare all listed requirements for the grade you are applying for** and not the grade you are currently in.
- Dress appropriately for your audition.
- For many Jazz auditions, we have provided links to pre-recorded play-alongs; for the actual audition, we will provide playback.
- We understand that for many students, this is the first time they've had to audition into ensembles and/or classes. Prepare equally for each category under your respective instrument. We realize that students are stronger in some areas than others; that's ok.

### IMPORTANT:

We believe it is necessary for our students to appreciate and gain experience performing all types of music genres. While OSA can be very flexible to accommodate student interests, we initially require that **all Instrumental Music candidates choose a track to audition with: “jazz” or “classical”**. **If a student is interested in playing both styles, they must audition using the requirements for both and must indicate this intention at the beginning of their audition.**
