

Middle School OSA Literary Arts Audition Requirements

- One-page letter introducing yourself to the Literary Arts faculty. Tell us why you want to attend OSA, why you want to study and practice creative writing in a school setting, and what's your experience with creative writing. What would you like to gain from a community of committed writers, and what do you feel you have to give?
- Two poems of any style with very different subject matters.
- One fictional story (or novel excerpt) of any length, but it must have a narrative arc.
- One monologue in the voice of someone or something that seems to be nothing like you (for example, a ninety-nine-year-old, a stray cat, a pencil).
